Dogtown Station Lofts in Venice, CA house some of the hippest in LA's entertainment industry!

Venice, Calif., January 1, 2010 – Dogtown Station Live/Work lofts, located in the heart of Venice have attracted a number of high-powered individuals in the entertainment industry. Dogtown Station residents include a screenwriter, a playwright, an independent movie producer, a special effects editor, a music manager and even actor Bradley Cooper's production company.

These stunning lofts are located in the heart of Venice, one of LA's hippest neighborhoods, right on Main Street, near the world famous Abbott Kinney Boulevard, just two blocks away from Venice Beach.

Each unit is architecturally unique with creative, dynamic open floor plans, polished concrete and hardwood plank flooring, atrium style high ceilings, gas fireplaces, glass walls which flood the interiors with natural light, and private rooftop decks with panoramic views of the LA skyline and the Pacific Ocean. Dogtown works with each of their clients to customize their lofts with design consulting, and interior design services. The lofts range in size from 1,350 to 2,500 square feet. Dogtown Station has an unparalleled reputation for creating the best lofts in LA.
